Sorry for the delay. We are having some in-house difficulties. I'll follow up with an ETA as soon as I can.

Hi Margo,

I hope you're doing well. Attached is the PFBS assessment with revisions since October. Just a note that, although it looks like a lot of edits, most of them are editorial in nature. There are a few more substantive edits. EPA will be uploading this document into ROCIS on Monday. Please let me know if you need anything from our end in the meantime.

Best,
Lindsey
